WEEKLY NEWSLETTER

Congratulations

Miss Dunn got married in half term. If you hear the name Mrs Brash that is what she is now called. Mrs Nichols had a baby boy in half term and all are doing well. Mr Fincham's wife had a baby girl last night and all are well.

Sports Day—Change of date

Due to unforeseeable circumstances we have had to change the date of the sports day. Weather permitting it will now be on Friday 5th July at the Douglas Eyre Sports Ground down Coppermill Lane. Parents and family members are welcome. It is a full day event and we have lunch at the ground. More information will come out nearer the date.

Borough of Culture

What a week we have had at MG. The artist, David Leapman came to the school yesterday. We currently have one of his pieces of art displayed in the year 6 block. He came and the children had a Q and A session with him. He had a tour of the school and saw some of the amazing art work inspired by him. Some children also got to do some practical workshops.

Don't forget to view all of the fantastic Creative and Expressive Arts on the blog <https://dominic5713.wixsite.com/mgpart>

Artsnight have also been very busy filming in school with the artist Shiraz Bayjoo. The making of the film Pran Kouraz (Take Courage), has been a fantastic project! The Art Night team are very pleased to have a private screening of the film for parents and families of the children who took part. It will be at 6pm at the Empire Cinema on Saturday 22 June with an introduction by the artist Shiraz Bayjoo.

Short Listed for *The Walthamstow International Film Festival 2019* The Magic Portal by Magpie Class last year has been shortlisted. The film will be shown on as part of the **Full Programme Saturday 15th June** at Vestry House Museum between 12 Noon and 5pm.

APP

Please make sure that you have deleted the old APP that had the school logo and you have installed the new one with the blue Piota logo.

To download the app visit the Apple app store or Google Play on your device and search for "Piota Schools'. Once downloaded, type 'Mission Grove' into the white box and select our school from the dropdown list. When asked about push notifications, click 'Set up now', and then 'Allow'. Once, you have downloaded the app, we suggest you go to the Settings page (reached via 'More' tile on the Home page), where you can filter the alert messages you receive. Please select 'Urgent alerts' – these are messages intended for everyone. Then also select the classes your children are in.
