

Friday 14th June 2024
Volume 1, Issue 32

For many it will be a long weekend of celebrations with Eid. Mission Grove wishes everyone happiness and peace this weekend. The school will be open as normal on Monday. We may have to merge some classes due to staff absence, but it will be learning as normal.

Some children and classes will have received an invitation for the annual Mission Globes which we have rescheduled to next Thursday. The event starts at 5pm and we ask you to get out your BAFTA winning dress and jewels and make your way down the red carpet for an evening of festivity; hosted by our very own Mr Darling. There will be pop corn and drinks on sale.

Thank you to the parents who completed the questionnaire. There were less responses than we expected. The information will be summarised in next week's newsletter.

Can I remind all parents that the teachers are all teaching at the start of the day. Your child enters the school and gets to their classroom to be greeted by their teacher and the teaching starts. If you would like to get a message to them please

- 1- write it in a note for your child to hand to them
- 2- speak to the staff member on the gate or door
- 3- go to the office and leave the message there.

The world is full of kind people. If you can't find one, be one.

Help us create a safe and happy environment for everyone. Think before you shout or get angry with staff.

RESPECT YOURSELF, RESPECT OTHERS!

Shouting & swearing will not be tolerated anywhere in school.

We are all role models for the children at Mission Grove.

Have a great weekend

Miss Jennings

LEARN HOW TO MAKE YOUR HOME MORE ENERGY EFFICIENT

Our Housing contractor, Morgan Sindall Property Service, holds monthly advice sessions on energy awareness and energy saving tips. Scan the QR code and join a session today

We had 72 children late on Monday!

Remember the gates close at 8.45am on south and 9am on North. Your children should be in before then. They should be in class at 8.45 and 9am

13th	Summer Fair
15th	Bastille Day

You will have noticed that the Site Service Officers have been making the outdoor furniture look more colourful, whilst helping to protect the wood.

The children in Reception gave a helping hand with their playground fence. The SSOs have also built a fence that they are looking to sell if any one

is interested.

Nursery South Full Time	95.90%
6 Crow	96.05%

This week the people from London in Bloom came to admire the plants outside the South Site. Connie (Buzzard class) helped to pick up the litter from around the area to make sure everything looked good!

Here she is showing just how tall our Plant of the Week can grow! But she said be careful not to touch because these plants are quite prickly!

Plant of the week

Teasel

Scientific name: *Dipsacus fullonum*

Teasel have brown, prickly stems and conical seed heads. They are visited by bees when in flower, and birds when seeding. They are sometimes even visited by goldfinches and other birds!

Thank you to Swan and Wagtail class for their entertaining assemblies. Thank you also to the parents who attended and your continued support.
